MYALO MARTIAL ARTS AND FITNESS MEMBERSHIP POLICIES

Our membership policies are designed to ensure a secure, sustainable environment for everyone at the academy. These guidelines are signed off via our waivers upon joining and are clearly available on our website. While we're here to support members, it's each person's responsibility to stay informed about these policies.

MEMBERSHIP PAYMENTS

- Keeping payments current helps cover essential academy expenses. If you have any outstanding payments or haven't been billed recently, please contact us.
- Flexible payment plans are available to help settle arrears over time. However, if a member is seen as deliberately avoiding payment while continuing to train, they will be asked to leave until all payments are up to date.

- **TO PAUSE:** Provide 14 days' notice for extended holidays or health-related issues lasting over a month.
- Membership fees will continue unless proper notice is given.
